Our reflections on a lesson plan for native language

Proverbs and phrases

Students learn proverbs and phrases
that are used in common conversation
in Icelandic.

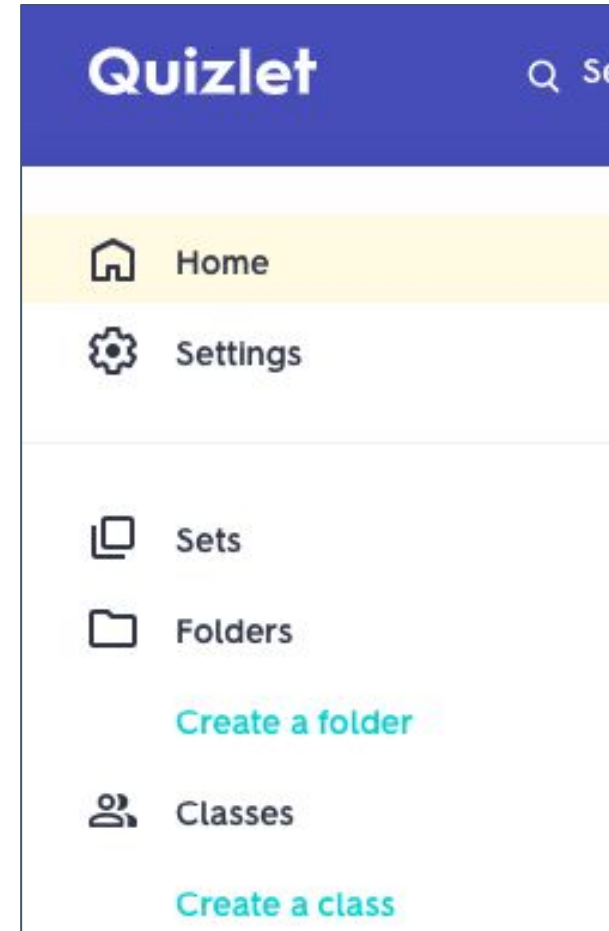

The lesson

- 40 minutes.
- 15 students, 8 girls and 7 boys.
- Devices needed
 - I pads with the quizlet app and an internet connection.

Preparation

- Sign up for an account on quizlet.com.
- Make a study set to train in that lesson.
- Copy the link and put it onto Google Classroom for your students .

Introduction

- Students work on their own at first but later on in pairs.
- Students learn some proverbs and phrases.
- Students go to Google Classroom and find the link.

Google Classroom

Implementation

- 10 minutes with flashcards.
 - Swipe right if they know the answer .
 - Swipe left if they have to study it better.
- 10 minutes learn and match.
- 10 minutes - Quizlet live in teams.

When it rains, it pours.

When an event occurs, it occurs with great intensity and frequency.

5/46

Conclusion

- The teacher can see which pairs are the first to finish.
- One incorrect answer - everything starts from the beginning and the group loses time.
- Next lesson
 - More work with these proverbs and phrases in a writing assignment.

OPTION B:

Join in the Quizlet app

1. Open the app and select Search
2. Select Play Quizlet Live
3. Scan this code:

Lesson reflection

- How did it go?
- What was positive about the lesson?
- What were drawbacks of the lesson?
- What would I do differently?
- Would I teach it again?
- Would I recommend it to colleagues?

Any questions?
